About the School

DU PUBLIC SCHOOL aims to provide a comprehensive, skill based education to girls and boys at the Pre-Primary, Primary, Secondary & Senior Secondary Levels in CBSE curriculum, New Delhi. From Nursery to higher classes, children follow an extended basic programme, which covers academics, co-curricular activities, games and sports. A special long period is set aside every day for Nursery during which children supervised by their teachers are expected to complete their practice and consolidation work, clarify their doubts and address other academic needs. Spreading over an area of more than three acres, DU PUBLIC SCHOOL is located in the revenue village of Sunguda, an upcoming prestigious township in future, situated near the crossing of NH-5 & N.H.-5A. Mahavinayak, Chhatia & Chandikhole Temple, Ratnagiri, Udaygiri Historical Monuments are easily accessible from school.

The school has a quite campus amidst beautiful natural surroundings, where the student is the centre of attention. Frequent interaction with nature through art, outdoor sports and planting activities will help our students to understand the value of caring for the earth. A well balanced academic curriculum, extensive co-curricular activities, strong relationship between students, teachers and parents provide the right foundation for the success.

DU Day Boarding

The DU Day Boarding objective is to develop talent of student in an unequivocal, clear & strong educational mission and an institutional vision where the child is taught in a dignified manner to provide liberal and comprehensive education as well as to develop values in the integrity, honour, dignity and a versatile character.

Adjacent to the field is the DU Cafeteria where wholesome food is served under hygienic conditions to DU Day care students. Special care is taken to make the food dietically well balanced and nutritious. Outside food is strictly forbidden into the Dining hall of DU day care. The school provides vegetarian as well as non vegetarian food in the daily menu. The menu is supplemented with dairy products and fruits (If requires). The day care staff too eat along with the children as a friend, philosopher & guide.

Sports & Games

The games curriculum at DU PUBLIC SCHOOL is an extension of our believe that only physically fit individuals can be mentally fit citizens. This is a compulsory part of the educational process. We do not dismiss players due to lack of talent. We belief every student deserves a chance to play. Game & Sports develop the whole person, leading to the creation of self-worth, pride, group commitment, team work, individual discipline and proper attitude. A well structured sports programme also results in mental and physical toughness.

DU Library

DU Library contain collections of books, periodicals, etc. for the use or borrowing by the students & staff in every week. It supports all educational programs of the school. It cultivates reading habits in school children.

DU Houses At Helm

Education does not mean how much we are committed to memory and scoring good percentage in academics. It is something through which we differentiate between Right and Wrong. DU made it possible by adopting four house system like Shaurya, Prithvi, Agni & Brahmos.

DU Hostel

DU Hostel life taught student to live independently and how to deal with the other students and roommates. ... In hostels students learns audacity, bravery, daring from other student and it will help students to face the practical life more confidently.

Our Laboratories

The students of DUPS have an easy access to all the laboratories which are architecturally beautiful and interesting centres of learning and knowledge through hands on experience of available resource.

1. Biology Lab. 2. Chemistry Lab. 3. Physics Lab. 4. Computer Lab.

Laboratories facilities at our school are spacious and well equipped with latest gadgets and equipments.

Co-Curricular Activities
